

Single Sign On - SSO - Motor Fiscal

O Motor Fiscal Docs suporta autenticação por Microsoft Entra ID (antigo Azure Active Directory) como alternativa ao login por usuário e senha. A autenticação é feita via protocolo SAML com suporte a Single Sign-On (SSO), permitindo que usuários utilizem suas credenciais corporativas Microsoft para acesso à aplicação.

Azure Entra Id (formerly Azure Active Directory)

As telas abaixo mostram as mensagens exibidas caso o usuário não tenha privilégios de administrador, e caso tenha os privilégios.

Need admin approval

Motor Fiscal (Microsoft Azure ID) needs permission to access resources in your organization that only an admin can grant. Please ask an admin to grant permission to this app before you can use it.

[Have an admin account? Sign in with that account](#)

[Return to the application without granting consent](#)

user@motorfiscal.com.br

Permissions requested

This app would like to:

- View your basic profile
- Maintain access to data you have given it access to
- Consent on behalf of your organisation

Accepting these permissions means that you allow this app to use your data as specified in their [Terms of Service](#) and [Privacy Statement](#). You can change these permissions at <https://myapps.microsoft.com>. [Show details](#)
